

MORE THAN CONCRETE

BRICK & BLOCK SEALER

FOR SEALING OF BRICK AND BLOCK SURFACES
RESISTS MOSS & MOULD GROWTH
PROMOTES EASY CLEANING

AVAILABLE SIZES: 1L, 4L, 20L

SCAN FOR DETAILS

DESCRIPTION:

CEMIX® BRICK & BLOCK SEALER is UV stable, eco-friendly, non-toxic water repellent non-flammable water-based penetrating & film-forming repellent treatment that will protect concrete and masonry from water and chloride intrusion while still permitting water vapour transmission. It can be successfully applied on slightly damp but surface dry substrates. The application does not produce any discolouration of the surface and is suitable for weatherproofing and sealing a wide variety of absorbent surfaces including cementitious roof tiles.

ADVANTAGES:

- Environmentally friendly product
- Makes the substrate water repellent
- Hybrid sealer – penetrates as well as coats (thin film)
- Allows the substrate to breathe
- Chemically resistant and non toxic
- UV stable – will not go yellow over time
- Weather resistant
- Resistant to dirt and stains
- Resists moss and algae
- Simple application – preferably by roller or spray

SURFACE PREPARATION:

The brick, block or roof tile surfaces should be water blasted and made clean, free from grease, loose particles, dirt, paint, curing compounds etc. Moss or algae growth should be removed with a suitable treatment and washed with clean water.

APPLICATION:

Shake or stir thoroughly before use. Always test apply on an

area first to approve the look and feel. CEMIX® BRICK & BLOCK SEALER should be applied without diluting in two coats to ensure complete coverage and saturation of the surface. Apply with garden sprayer, roller or brush. ***Depending on the porosity of the substrate – coverage of approximately 5m² – 14m² per litre can be achieved.**

NOTE: Before applying any sealer on a fresh concrete, ensure a minimum of 28 days for curing.

LIMITATIONS:

This product is **NOT** suitable to weathertight building structures or exposed vertical walls. **This product seals & enhances the Brick & Block surfaces for durability of the surface and will resist growth of moss and mould and promote easy cleaning.** This product should **NOT** be used for waterproofing or weathertightness.

Read Label Before Use. Keep out of reach of children. If medical advice is needed, have product container or label at hand.

DANGER

HAZARD STATEMENTS:

- Harmful if swallowed
- Causes skin irritation
- Causes serious eye damage
- Harmful to aquatic life with long lasting effects

SAFETY INSTRUCTIONS:

- Wear protective gloves/protective clothing/eye protection/face protection
