

MORE THAN CONCRETE

MORTARFLEX PLUS

POWDER PLASTICISER FOR BRICK AND BLOCK LAYING AND PLASTERING

AVAILABLE SIZES: 200G | 600G | 1.5KG

SCAN FOR DETAILS

DESCRIPTION:

Cemix® Mortarflex Plus is a highly concentrated powder that will plasticise, increase open time, retain water, help prevent efflorescence, shrinking and cracking, reduce water absorption and increase bond and strength. Cemix® Mortarflex Plus will improve workability, giving a fatter mix and without the necessity of rewetting. Can be used with all coloured mortar including black oxide. Low cost per mix. Do not use with lime. If lime is required in mix, use Cemix® Cemplus Plasticisers.

TYPICAL APPLICATION/USES:

Cemix® Mortarflex Plus is used as an additive in brick and block laying and plaster work.

ADVANTAGES:

- Improves workability
- Increases open time
- Retains water
- Helps prevent efflorescence, shrinkage and cracking
- Cost effective
- Gives a fatter mix without the necessity of rewetting

APPLICATION:

Cemix® Mortarflex Plus is ideally added to the bowl during mixing.

MIXING:

Cemix® Mortarflex Plus is ideally added to the bowl during mixing. Shake container thoroughly before use. Use 3 level measuring caps (12gm per cap) per 40kg bag of cement (measuring cap provided in container). Amount of plasticiser required may vary with the type of sand used, however it is important not to overdose

or over mix. As Cemix® Mortarflex Plus acts as a water reducer you may require less water to achieve a workable mix. DO NOT over mix, a maximum of 3 minutes is suggested for most sands. As a guide the following mortar formula is provided as a starting point. Mix 6 - 7 parts by volume of good clean sand to 2 parts ordinary cement. Add Cemix® Mortarflex Plus as per instructions. Mix with clean water to desired consistency. Shake well before use.

COVERAGE:

Per 40kg bag cement:

200gms Plastic Jar	5 bags,
600gms Plastic Jar	15 bags,
1.5kg Plastic Jar	37 bags,

STORAGE & SHELF LIFE:

Store in dry place, out of direct heat & sunlighth.

CLEANING:

Clean all tools with water & brush immediately after use.

Read label before use. Keep out of reach of children. If medical advice is needed, have product container or label at hand.

DANGER

HAZARD STATEMENT(S):

Causes skin irritation. Causes serious eye damage. May cause an allergic skin reaction.
